RE: U.S. V. Jason Mckinney case No: 2:06-Cr-20078-JWL-1

I write in concern about appointed counsel per your request, Kirk Redmond the Assistant attorney for the public defenders office. I believe that there is a conflict of interest between I and Mr. Redmond. We are in disagreement with each others calculations pertaining to the 782 amendment. Mr. Redmond only drop me 2 levels on the sentencing guideline table without applying the drug quantity table that passed in 2014 under the 782 amendment. By Mr. Redmond only dropping me 2 levels I still remain at a guideline range 360-life and a criminal history category 5. Mr. Redmonds insufficient performance in the calculations of the guidelines is a denial of my sixth amendment right to have effective assistance of counsel.

My calculations are as follows:

1.5 Kilograms or more-Initial sentence; Base offense level38;

Criminal history category V enhancement pts: +6 (Role of offense, Obstr.)

Accept. Response. Pts.: 0 Total offense level: I was sentence to a level 42 total.

Amendment 782

offense level: 24 *57.7 grams of crack cocaine*

Crim. Hist. Pts:V

Enhancements: +6

(Role of offense, obstru.)

Accept. Response. Pts. :0

Total offense level 30

Sent. Range: 151 to 188

I am respectfully asking this honorable court to appoint new counsel that will that will adequately prepare a proper 3582(c)(2) motion under the 782 Amendment.

Respectfully submitted, Jason Mckinney
